27. (Unclassified - DFM) LEGISLATION Called Clark McFadden, on the Senate Armed Services Committee staff, and made final arrangements regarding Mr. Cary's testimony tomorrow before the Subcommittee on General Legislation.

28. (Unclassified - DFM) LIAISON Called Bill Hogan, Counsel, House Committee on Armed Services, and alerted him that Mr. Cary was testifying tomorrow on the medical malpractice issue before Senate Armed Services Committee. I also arranged to deliver a copy of Mr. Cary's statement.

29. (Unclassified - DFM) LEGISLATION Talked to Charles Mitchell, Executive Secretary to Senator James Allen (D., Ala.), several times during the day regarding the Senator's additional views to be included in the Government Operations Committee's report on S. Res. 400, which would establish a new Senate Committee on Intelligence Activities. Senator Allen's statement was due to the Government Operations Committee by COB today, but Mitchell assured me that he could get an extension until Tuesday morning. I read him my draft statement, which he thought the Senator would want to use. I promised to have the statement to him by 9:30 a.m. tomorrow morning.
